Dear Chamber Members:

The Doreen Gauthier Lighthouse Point Library gratefully acknowledges your generous donation of \$2,000. This wonderful gift will not only allow us to add and update titles in our print collections, but also expand and enhance our special programming.

I have included the photos to the right as an example of just a few of the special events and programs our hometown library has been able to offer thanks to community donations like yours. Please know that without your long and distinguished history of support, the Doreen Gauthier Lighthouse Point Library would not be the community success it is today.

Once again, on behalf of the entire library family, I thank you for your generosity and ongoing commitment to the library.

Very truly yours,

Christy Keyes
